

“A Fruitful Church Will Be Strategic”

Our Mission . . .

Sharing all of Christ, with all people, for all of life.

We Share All of Christ. . .

- What does it mean to share all of Christ?
 - We must share Christ is full of **grace**.
 - We must share Christ is full of **truth**.
- Why is it important for us to share all of Christ?
 - Graceless truth produces the rotten fruit of **legalism**.
 - Reduce grace and there is no **hope** for salvation.
 - Something’s wrong if all unbelievers **hate** us.
 - Truthless grace produces the rotten fruit of **relativism**.
 - Reduce truth and there is no **need** for salvation.
 - Something’s wrong if all unbelievers **like** us.

We Share All of Christ with All People. . .

- Grasp the human range of our mission field. . .
 - We share Christ with the rich and **influential**.
 - We share Christ with the poor and **insignificant**.
- Grasp the spiritual range of our mission field. . .
 - We share Christ with the **religious**.
 - We share Christ with the **irreligious**.

We Share All of Christ for All of Life. . .

- The gospel **redeems** your past.
- The gospel **secures** your future.
- The gospel **transforms** your present. . .
 - If you connect the gospel to your **brain**.
 - If you connect the gospel to your **behavior**.
